PROGRAMME

‘Behold how good and pleasant
it is when brethren dwell
together in unity’

Psalm 133:1

WE ARE MESSENGERS NOT DELIVERERS

Messengers, not Deliverers

For he (Moses) supposed that his brethren would have understood that God would deliver them by his hand but they did not understand. [Acts 7:25](#)

¹⁵“Now you shall speak to him and put the words in his mouth. And I will be with your mouth and with his mouth, and I will teach you what you shall do. ¹⁶So he shall be your spokesman to the people. And he himself shall be as a mouth for you, and you shall be to him as God.” [Exodus 4:15-16](#)

Hello Friends and Welcome to the Conference.

We are so glad that you have come and joined us for our first digital conference. We have worked hard to try and make this as personal as possible. You will see the programme on the next page and all the meetings will be on both YouTube and Facebook.

I will introduce the Conference with a word that God has been sharing with me over these past few weeks.

I believe that God is using this lockdown time to prepare us in the dark for when He moves us into the light once again. We are Messengers and not Deliverers. We have the most liberating message in the world and God is about to open some extraordinary doors for us in the next few months and years. Some of you will be ushered into the presence of very important and influential people at all levels of society and God will use you to bring a word from Himself to those people.

Anyway, I hope that you enjoy the conference. The beauty of digital is that the meetings will stay there after the conference so you can access them at any time. So may the Lord bless you all richly today!
