1967—2017  50 YEARS OLD

This is our JUBILEE YEAR. That has so much significance in the Bible. In the Year of Jubilee, according to Leviticus 25, debts are cancelled, land is returned, slaves are released. Jesus went further in Luke 4. He proclaimed that the blind would see, lame walk, broken-hearted healed, Gospel preached to the poor, all proclaiming the Jubilee Year of the Lord. WOW!

We are celebrating this year in a spectacular way during our Annual Conference, 4-6 October 2017. DON'T MISS IT! If you are reading this as a printed newsletter, then you should have also received a booking form. If you are reading this digitally, then you can download a booking form by clicking the picture on the left.

You will have noticed that the title above now says ‘Sounds of Revival’. This was the name of the original IGO news when Bob Searle first printed it way back at the beginning. I woke up a few months ago speaking a verse from John 3:8 ‘The Wind blows where it wills, you hear the sound of it but cannot tell where it comes from or where it is going...’ There is the Sound of Revival in the air once again. I believe we are on the verge of the greatest revival the world has ever seen...and I can hear it! God bless you today!  Kingsley
The Missions Weekend in February at Northallerton was terrific. We met at Hollybush Christian Fellowship on the Friday Evening and then at New Life Baptist Church on the Saturday, and Sunday morning.

Bill Wilson (Metro Child New York) and Eddie Lyle (Open Doors) were our speakers and they brought us fresh insights from the Lord.

Amongst other things Bill challenged us as to what we can see and whether that moves us or not. He took it from John 8 where only in verse 8 was there sight that led to faith.

Eddie urged us not to see ‘The Persecuted Church’ as something different from the Church we all belong to. Because if one part suffers, then we all suffer. It was a very challenging weekend. You can find the messages on YouTube (on Kingsley Armstrong’s page) or click on the titles on the left if you’re reading this on a digital device.

It was great to have Tom & Susan Shanklin from the USA. They came especially to be with us at this conference.

It was also good to have Pastor Osmond from Ghana with us. He has been touring the UK for the past three months.
NEPAL
(up to date report from Philip & Margaret Evans in Nepal. There was a dangerous background to the meetings they were holding and so he writes..)

Pastor Min Raj told us that some other pastors had tried to dissuade him from arranging these outreaches because of the arrests of Christians recently for evangelising. Praise God for his faith that he went ahead and not only that we had much favour with the authorities!

The outreach was held in Butwal near the Indian border. On the first day several government officials attended as well as the local MP this was because of the recent arrests of Christians here. They assured us that the Christians in Nepal have freedom! Also a doctor attended who was the head of the local hospital and he said that they were very limited in what they could do and only God could heal the whole person!

During the outreach meetings 4 blind people testified that their eyesight had been restored! Also a lady who had been deaf in both ears testified that she had been completely healed. There were also many other ‘ordinary miracles!’ Min Raj told us that over 1000 people had received Christ. The local churches bussed people in from miles around and usually the new folk very easily integrate into the local fellowships. Much deliverance from demons took place as some of the people would have been in contact with witch doctors and idol worship. So praise the Lord who has done great things. We now need to sort out all the videos.

God bless

Ps. We preached at the church in Kathmandu on the way home and were able to share with them the good things God did in Butwal.

LANZAROTE
(Report from Ken Boler who, along with his wife Ann, has been visiting churches in Fuerteventura and Lanzarote, encouraging the Believers for many years)

Ken shared how God blessed them whilst there. Each meeting they enjoyed anointed worship. He preached and prayed with those who responded to the Word and God touched them.
GUATEMALA
Luke & Stephanie Humphries

Hi friends!
Thank you so much for your prayers and support during the last year. We wish you all a blessed and happy year ahead. We are excited to step into this New Year and we look forward to all that it will bring. As a mission we pray we continue to go in the direction that the Lord is leading us, that we are sensitive to His voice and grow closer to Him.

We ask that you keep us in your prayers as we are in need of a new vehicle. The one we have now is getting old and is not reliable for trips into the city, so we have been borrowing cars for transportation. Unfortunately, second hand cars are extremely expensive here, so we greatly appreciate your prayers as we raise money and search for a new vehicle.

We cannot say thank you enough for your prayers and support for us. God bless you all!

Much love, Luke, Stephanie and Theodore

GHANA
GOSPEL WORLD OUTREACH

It is with joy to inform you that our 10 months from Feb-Nov. Project has just started. We have seen the hand of God move mightily on our behalf. We had serious opposition the first day due to a Fetish and Pagan worship group performing rituals and dancing opposite our crusade grounds, yet, the Lord gave us the victory and 27 souls were won for the Lord Jesus!”

Isaac Lamptey. Ghana.

A WORD OF ENCOURAGEMENT
(John & Pam Yates of Clarion Call Ministries shares a word of encouragement. http://clarioncallministries.co.uk )

“Behold I come quickly! Hold fast to what you have, that no one takes your crown. He who overcomes, I will make him a pillar in the temple of My God, and He shall go out no more, and I will write on Him the name of the city of God, the New Jerusalem, which comes down out of heaven from My God. And I will write on him, My New Name, “He who has an ear, let him hear what the Spirit says to the churches.”

Rev 3:11-13

Living in these uncertain days, if we remain faithful to our calling, God promises He will undertake on our behalf, to give us protection, a double provision, through the shedding of Jesus’ precious blood, and the living Word. We can be cleansed and redeemed, washed by the pure water of His Word continually, to become the kind of church Jesus has destined us to be.

UGANDA & INDIA
Don Carpenter

The Lord has opened a great ministry door for me in Uganda and India. In Uganda I shall be ministering at a conference supported by seven local congregations. This is a precious time in the Holy Spirit. The gathering takes place in a rural jungle region. I have been developing a relationship with the believers in this region. The harvest is ripe at this time. Several pastors and local church leaders will be gathering for a two day seminar. I shall be meeting with local church leaders with the vision that we shall start a full time ministry training centre. The pastors have been asking me to consider taking on such an undertaking. With the guidance of the Holy Spirit, I pray that we shall be able to move on this vision. There is a great need for training labourers.
FINDING THE GOSPEL IN MECCA
Gerald Gotzen—Ethiopia

“On the shores of a picturesque lake three former Muslims were baptised on their confession of faith in the Lord Jesus Christ. One of them a young man had been living and working in Mecca. Listening to the Gospel by radio in his own language his heart and life were changed by the love of God,” so shares Gerald Gotzen from Ethiopia.

“Operation Chariot with the extensive distribution of the Oromo New Testaments in the two editions – for the Christians in a blue with a cross: for the Muslims in a green cover with appropriate Islamic design. The Word of God is very much in demand. The foundation of faith series by veteran missionary in Brazil for over 50 years Kenneth Jones are being circulated in the Evangelical and Orthodox Churches and making a real impact.

There is a wonderful opportunity to supply Bibles and Christian literature within the Renewal movement in the Orthodox Church; especially the “Gateway to Life.”

BROKEN LIVES TOUCHED
Lesley Gomez—Philippines

When I drafted the Accomplishment Report it amazed me what our team has achieved,” so writes Lesley Gomez of LAMA House. How many little broken lives we have touched with God's love and answers to seemingly impossible prayers. It was satisfying reviewing the goals our team had set at

the beginning of the year, to see we had accomplished most of what we had set out to do. Thank you for helping us! I know several of you keep a file with LAMA newsletters and often refer to different ones in prayer – your faithfulness to stand with us in spiritual battles and pray for the boys makes all the difference. One lady mentioned she was glad to hear news of a boy she has prayed for since 2012...she is still praying. Please stay in touch and pray about how you can help give needy children a safe home, introduce them to Jesus and provide education for a better future.”

SIS TESS
Andrew & Ruth Newlove—Philippines

Andrew and Ruth Newlove share this lovely story of Sis Tess and her family, a mother of 12! “She lives just at the back of the church building location. Originally a Muslim brought up in Mindanao. Most of her children were attending church with her; growing in God, getting baptised and serving the church.

However her husband thought they were all attending the Catholic Church! She didn't want to tell him. However with visits to their home, loving their family through family loss because of a shooting, things are changing. Sis Tess is a giver, she believes in the truth that if you give generously God will meet your desires and needs.

Well Christmas she got a miracle; on getting ready for church her youngest said to their father, “Take a bath and come to church with us.” So that's just what he did. And he has been the last three weeks and loving it. He got up last week to testify and thank God for placing us here in Bacnotan. Please keep him in your prayers.
“WONDERFUL EXPERIENCE”
Melvin Banks

Melvin Banks writes to share on the amazing recovery of sight to a blind woman. He writes, “A blind woman sees, and she should know. Because her blindness was almost instantly cured last October in a faith healing service at the Hebron Church, Henllys Way, Cwmbran.

Two years previously, an eye specialist had told Mrs. Strike that total loss of sight was inevitable. There was absolutely nothing that medicine or surgery could do to prevent it. Mrs. Strike from Pontnewydd, took the crushing blow calmly and braced herself for a life in a world of darkness. Before her husband Sidney, took her to the faith healing service, Mrs. Strike could manage simple household chores but not allowed to walk any distance outside the house without an escort. A neighbour, Mrs. Elsie Smith, who was constantly by her side during the crisis commented: “She hardly ever complained.” It was while Mrs. Strike was washing the dishes after lunch that she made up her mind to attend the first faith healing service. Her husband guided her to the front row, beside the others who hoped to be healed. Mr. Melvin Banks placed his hands over her eyes and prayed to God that her sight could be restored.

“The experience was wonderful,” Mrs. Strike recalled. “Only I can tell what it was like, I wasn’t aware of anyone else in the room except a presence.” She was overjoyed when she found that she could see Mr. Banks’ finger in front of her face. Since that miraculous event her eyesight had gone from strength to strength.”

Today I received a message on facebook

Hi Lesley Gomez I’m from Papua New Guinea. I just found your book in a second hand shop and by looking at the title I bought it home. After reading for the last two days I found myself crying and praising God for showing me your book. I just want to say thank you for sharing your testimony thru your book "Have a little Faith" I am truly blessed! May GOD continue to bless you.

THANK YOU

This lady (Felee) has been encouraged as she starts out to minister to the children in her church. Yes I’m in PNG, thank God I read your book. I have found strength once again to serve God in my church. Faith Baptist Church, this year 2017 I'll be in charge of the children ministry in my local church. I want children to know Christ Jesus in personal way as their Saviour and friend and may God use me as he has used you in the Philippines. You're an inspiration! Its not a mistake that I read your book. GOD is good!

How one of my books arrived in a second hand shop in Papua New Guinea I don't know!
