# A Wonderful Conference

Well, what a terrific celebration we had at Swanwick. It was such a lively event with many there who had not been for so long. It was great to see Glyn Greenow and Sushila Chaudhary and, of course, Ann Searle, John & Sandra Levy, representing the very beginnings of IGO. Dr. Cecil Stewart also came over especially from N. Ireland to celebrate with us and he also remembers the very beginning days in the 60's.

There was so much fun and fellowship as well as hearing from the Lord which of course caps it all. Rodney Breckon came on the Thursday night to help lead the worship and we sang a few of the old choruses reminiscing from the past. Adam and his team led the worship so well so we were certainly blessed.

Then everyone responded so generously to the offering appeal to help build the last building at the Bible College in Jaigaon. Pastor Sam Sharma was with us and we needed £5000. We went way beyond that and we were all so encouraged and blessed. This was only a few weeks ago and look at the pictures below to see how Sam has been building. I am leading a team there next March and we will have the joy of dedicating the new IGO Jubilee Training Chapel.

God is good and we are walking in miracle days—God bless you! Kingsley
