## SWANWICK CONFERENCE 2018

email: [internationalgospeloutreach@gmail.com](mailto:internationalgospeloutreach@gmail.com) Website: [www.igo.org.uk](http://www.igo.org.uk)

Hello Everyone and here we are after another Annual Swanwick Conference.

This year, as Trustees, we decided to hand over some of the main speaking slots to some younger ministers. We felt that it was time to bring them to the forefront and move us toward the future. What an excellent move that was. Everyone was so blessed.

If you did not make the conference all the messages were recorded and they are available on dvd but also on YouTube. If you are reading this online, then simply click any of the pictures on the next page and the videos will appear before you. Then you can feel that you were actually there.

However, please consider coming to the conference next year. There is nothing to compare with actually being there. The fellowship, laughter, tears, fun, encouragement of sitting alongside or across the table at mealtimes cannot be duplicated by watching a video.

I shared on a young man in the Bible called Jehonadab (or Jonadab) in Jeremiah 35. He had a poor start in his ministry as his dad, Rechab, was a murderer. Rechab & his brother, Baanah, killed Ishboeth, the son of King Saul, in his bed and thought they were bringing David good news (2 Samuel 4). David was horrified and had them killed and their families were marked for life.

Jonadab, his son, was a man of passion and later, in the time of the wicked King Ahab, helped Jehu rid the land of Baal worshippers (2 Kings 10). I love that verse (15) where Jehu offers his hand to Jonadab; "If your heart is one with my heart then give me your hand."

Perhaps Jonadab was one of the 7000 that God had assured Elijah that time in the cave who had not bowed the knee or kissed Baal (1 Kings 19:18). Perhaps Jonadab needed Jehu to extend his hand to him. I wonder today who you, can extend your hand to; someone who is as yet hidden but needs a hand to take them out from among the hidden 7000.

The results were amazing. Jonadab showed tremendous passion and zeal for God and then he taught his family strong principals and we see these in Jeremiah 35. Because of the way he taught his children, his descendants a few hundred years later were still following his ways. God made a promise to them that his family 'would always have a man standing in God's Presence'. What a legacy!

We pray that you will be blessed today. There are a lot of changes in IGO and we are prayerfully moving towards the future. It is uncertain in the world but very certain in the Lord. He has a plan for these end days and we want to be bang in the centre of that plan, so please continue to pray for us all as we seek to follow him.

God bless you!

*Kingsley*

## THANK YOU ANN

Ann has faithfully served International Gospel Outreach since its beginning in 1967. Along with Bob, she initiated most of the things that happen today. At the Conference this year we officially thanked her and she retired from running the whole thing. Ann is moving to Northallerton where Kingsley & Cathy live and, when the office moves, will still be working there as much as she wants to, although Cathy is officially taking over the administrative role. IGO has been Ann's life for many, many years and you will be hearing much from her in the future. "

Thank you Ann; you are loved and appreciated more than you will ever know!"

## **The Oasis Christian Centre**

With the IGO office moving to Northallerton, we have a lot to do in the next few months. One of the changes will be the IGO members phone number. The new number from the 1st November will be 07577445447. (We have learnt it already as this: 075 double 7, double 4,5 double 4,7). The old Oasis number (01603 623229) will still be active for a while longer to deal with Oasis issues such as the Cottage / Caravans / Local Fellowship etc.
