### NOTES

*Many IGO linked missionaries and all members in third world nations are heavily subsidized or fully paid for by IGO and our overseas missions teams greatly appreciate financial help to operate. We therefore invite any renewing members who would like to, to help with this support. It must be stressed that any help given is entirely voluntary and we fully understand that many may not be in a position to help in this way.*

IGO being primarily a Fellowship of Ministers and others engaged in Christian Ministry, the Trustees would encourage all UK members to attend, if at all possible, at least one Conference/Convention of IGO each year. Members co-operation in this respect is greatly appreciated.
